

Dear Crafter,

Welcome to our craft shows. Remember, leave room in the parking field for customers. **Please do not park in the handicap parking spaces unless you are truly handicapped** Do not hang a borrowed handicap tag in your vehicle just to park there.

Please check in before you set-up. We need to know you have arrived and to be sure you are in the correct space. Mistakes do happen. Also, please only use the space assigned to you. We have had situations in the past where a crafter spills over into another space and leaves. The crafter for the other space has no where to set up. If you are not sure, ask.

We give priority to crafters who were at the last show. We automatically assign the same space unless you request otherwise. Do not expect to skip a show and receive your old space. We try to accommodate all requests but please be understanding if you don't get your request satisfied. We will assign spaces the first week in May and the first week in September. You will receive your space assignment notice in the mail. If you haven't received it by the 15th of the month let us know.

IMPORTANT! Do not bring craft items that you do not make or grow. Do not bring imported items to sell. If we find these items in your booth you will not be asked back to any show.
